INDEX TO STATE MAP OF OHIO.

EXPLANATION.

To find the name of any place on the Map, first find the name in the index; opposite the name will be seen the number and letter designating it on the Map; then trace a direct line on the map from the number given to a point where it meets a direct line running from the letter given, and at or near this point will be found the name desired.

County seats set in full face type.
⊙ Telegraph Station.
● Money Order Post Office.
All towns in Roman type are Post Offices.
All towns in *Italic* type are not Post Offices.
