The Nonparticipating Dentist Fee may be less than what your dentist charges and you are responsible for that difference.

- Routine oral exams are payable twice per calendar year. Two additional oral exams are also payable per calendar year per specialty for Endodontists, Periodontist, and Oral Surgeons, and are exempt from the routine time limitation.
- Prophylaxes (cleanings) are payable twice per calendar year.

- People with specific at-risk health conditions may be eligible for additional prophylaxes (cleanings) or fluoride treatment. The patient should talk with his or her dentist about treatment.
- Fluoride treatments are payable once per calendar year for people up to age 19.
- Space maintainers are payable once per area per lifetime for people up to age 18.
- Bitewing X-rays are payable twice per calendar year and full-mouth X-rays (which include bitewing X-rays) are payable once in any five-year period.
- Veneers are payable on incisors and cuspids once per tooth per five-year period when necessary due to fracture or decay. Veneers for cosmetic purposes are not Covered Services.
- Composite resin (white) restorations are Covered Services on posterior teeth.
- Porcelain and resin facings on crowns are optional treatment on posterior teeth.
- Implants and implant related services are payable once per tooth in any five-year period.
- Antibiotic drug injections are Covered Services.

Having Delta Dental coverage makes it easy for you to get dental care almost everywhere in the world! You can now receive expert dental care when you are outside of the United States through our Passport Dental program. This program gives you access to a worldwide network of dentists and dental clinics. English-speaking operators are available around the clock to answer questions and help you schedule care. For more information, check our Web site or contact your benefits representative to get a copy of our Passport Dental information sheet.
