

## Frequently Asked Questions

1. Are there discount programs for riders?
  - Yes, call for options
2. Are there other transportation options other than Knox Area Transit?
  - Yes, there are two:
  - The Station Break
  - Veteran Services of Knox County.

If you have more questions, please call Susie Simpson at 740-485-5002.

## Mission Statement

Mobility Management will build a customer-centered approach towards our Knox County residents, focusing on older adults, individuals with disabilities, and low income residents.

This transportation plan includes private operators, public transit, cycling, walking, volunteer drivers, and other modes of transit.

Mobility Management will work together to deliver the transit options that best meet the Knox County community's needs.

## Mobility Management goal

Our goal is to connect seniors, individuals with disabilities, and low-income residents with available transportation options in our community.

If you are an individual or community group seeking transportation options, we are here to help.

# Mobility Management of Knox County

The Knox County Mobility Management Program is funded by the Ohio Department of Transportation Specialized Transportation Program (Section 5310) or the Rural Transit Program (Section 5311) through the Federal Transportation Administration (FTA).
